

Dear Parents/Guardians:

We had a successful school opening and we are so happy to be back in person with the students.

## **Parent Academic Night**

This year, we are hosting a new back to school night called Parent Academic Night (PAN). During this night, you will learn about your child's progress, hear the grade level expectations, meet the teacher/families/staff and make a learning activity to take home and work with your child. The Parent Academic Night is an important night to learn about your child's current progress and how you can support your child at home.

K-5 Families in attendance will be invited to the Carnival Fair on Friday September 16th. We look forward to seeing all families in this important family night. Translation and child care services will be provided.

## **Attendance**

Consistent attendance is extremely important for children's social, emotional and educational development. Children who miss a large portion of school days can suffer in the long term from significant gaps in their learning. We need your support to send children to school every day, all day to get the most out of their education. School begins at 8:00 daily, we will send absence reminder at 8:30 AM.

This year our team of multi-tiered system of supports encourages students to live respectfully, embrace safety, act responsibly, and display kindness in the various school, wellness, and virtual spaces. We practice positive behaviors daily to promote respect, safety, and kindness. I hope these behaviors will translate beyond our school campus. Please see our school matrix below to become familiar with our LEAD expectations. Our students are leaders!

Positive Behavioral Matrix	Learning Spaces	Wellness Space	Eating Area	Recess & Playground	Restroom	Technology
